Mr. Marion Johnson
The National Archives
Washington, D.C.

Dear Mr. Johnson,

With reference to my earlier request for the information on investigations of the leads provided by Mrs. John Tarsikes, of San Antonio Texas and the earlier, enclosed letter, may I refer to the first page of Secret Service Central 703, Exhibit 11537

Here there is reference to what may or may not be earlier reports on this subject as well as one that is pertinent, SAIC John W. Rice's 11/26/63 to San Antonio SAIC L.M.Benavides.

I would appreciate copies of this or these reports and everything else on this. Can you please check the name files? There may also be FBI reports of interviews with or about Mrs. Tarsikes.

I expect to be in Washington Thursday, 11/26/68. Should you have anything for me, perhaps I can then pick it up.

Thank you very much.

Sincerely,

Harold Weisberg
